**Signed by Chairman:**

**POLICY TITLE:                    Uniform**

**POLICY NUMBER:                20**

**NAG’S REF: n/a**

**PURPOSE:**

The purpose of the school uniform is to lay a foundation for learning, where outward appearance is not a distraction to the learning process. In our desire to “avoid the appearance of evil” (1Thessalonians 5:22) our preference is for a conservative code of dress. Key principles to keep in mind:

1. Our goal is to honour God in all we do, acknowledging the Lordship of Jesus Christ in our choices.
2. All human actions, including outward manifestations such as clothing, reveal and communicate the disposition of the heart.
3. Inherent in the uniform standards is a desire to create an environment where undue attention is not drawn to specific students.
4. There is a different uniform for boys and girls, juniors and seniors.
5. Modesty is expected of all students.

The word “uniform” means many personal tastes and preferences will need to be sacrificed in order to achieve a suitable and economical dress for all. The Board of Trustees is responsible for the determination of the policy, and the enforcement of the policy is the responsibility of parents, Board of Trustees, and staff.
