

Lake Taupo Christian School

Christian Workers Scholarship Application Form 2022

Please must complete all sections of this application and return the form with any supporting documentation by 28th February 2022. Late applications will only be considered if Scholarships are still available.

- Applications are invited from families who are employed by a local Church or Christian organisation (excluding Lake Taupo Christian School).
- Priority will be given to families where the financial constraints are such that their children would not be able to attend Lake Taupo Christian School without the scholarship.
- Scholarships are for full annual dues payable.
- Scholarships may be awarded to more than one member of a family.
- Scholarship students must attend school regularly and maintain a satisfactory standard of behaviour.
- At least one member of the family receiving a scholarship must be available for our major annual fundraiser.
- Scholarships must be applied for annually, with weighting being given to current holders who are still eligible, to be continued for the next year.

This application is confidential and will **not** become part of your child's school records. Applications will only be seen by the Scholarship assessment team.
